GUY WILSON - COUNTRYSIDE ACCESS WARDEN

Countryside Access Wardens help keep the public rights of way network open.

Guy is a resident of Willesborough and will explain his roles and responsibilities, and what this means to those who want to enjoy the countryside.

As part of the talk Guy will also describe ABC's planned "Green Corridor" and we shall also be laying out our plans for dealing with overgrown footpaths and litter.

COMMUNITY COUNCIL CAMPAIGN

On 1st August, as part of the Community Governance Review, ABC should be publishing their draft recommendations for public consultation. We shall be explaining these at the meeting and further explaining what action needs to be taken by YOU.
