M20 JUNCTION 10A PRESENTATION

Salvatore Zappala, Highways England Project Manager for the M20 Jct10a project, will be displaying and presenting the plans for the new junction. This is your local opportunity to see the plans and ask questions.

HYTHE ROAD PEDESTRIAN CROSSING CAMPAIGN

The campaign for the Hythe Road pedestrian crossing is being organised by local resident John Goodman. John will be organising a petition at various locations in the vicinity, including the new Post Office at the Premier store in Cradlebridge Drive. If you'd like to express your view about a new Hythe Road crossing, please email John on: jdgoodman@hotmail.co.uk. John will also be giving an update at the meeting.

WCF - THE FUTURE (?)

Following the failure to become a Civil Parish, and have our own Community Council, we have been discussing where to take the Forum in future. We have some ideas we would like to put to you but we would especially like your views. We shall therefore be opening the floor for discussion on the subject - this is YOUR opportunity.
